

# Scatter Square Dance

**Appropriate Age of Activity:** K-4

**Objectives:** Students will use their gross motor skills to follow rhythm and beat and work with partners.

**Number of Participants:** 20-24

**Area and Equipment:** country music, microphone, stereo

**Description:** (Introduce students to different square dance actions)

High Five

- Students will give another a high five (R or L)

Circle

- Hook elbows with a partner and circle a specified direction (R or L)

Star

- Place hands with two other people over head circle in a specific direction (R or L)

Do-Si-Do

- Stand facing a partner. Both walk forward passing on each left shoulders, step to the L and Walk backwards two steps. (R or L)

Wheel barrow

- Grab hands with a partner, lift either set of hands and follow the all around while turning. Never let go of the hands.

Ankle shake

- Face partner, lean forward lifting the inner ankle and shake your partner's ankle.

Hip bumps

- Partners hit hips together (R or L)

Teach the students how to bow and curtsy.

\*Let the students create their own. I promise that they will surprise you.
